I agree to pay £ now as a 25% deposit and to pay £ as the remaining balance of rent six weeks prior to the letting or earlier.

I have read the Terms and Conditions available at www.thegamesbarn.co.uk and accept them; I am over 21 years of age and accept that my booking is for the holiday period stated above. I am willing to accept responsibility for any breakages and will leave the property clean and tidy at the conclusion of the period above as agreed. **I note that a cash deposit of £150 is required on arrival** which will be returned in full on departure provided the property is clean and tidy and there are no significant breakages.

Check in must be between 4pm and 9pm and check out between 9am and 11am unless alternative arrangements are agreed in advance.

I note that no more than 8 people (including babies) may stay overnight in the Barn.

I note that 35 units of electricity per night is included in the rental. Any usage over and above this (averaged over the length of the stay) will be charged at 40p per unit. This limit has been set to protect us against any misuse of electricity. We supply free wood for the woodburner which heats the Barn very well in the winter. We do not expect you to be cold and are flexible about the allowance in exceptionally cold weather. We reserve the right to amend the rate we charge per unit for the excess usage. It will be based on electricity prices in place at the time (it is a VERY volatile situation at the minute).
