

DIRECTIONS TO:

THE GAMES BARN, CRANESDEN FARM, PICCADILLY LANE, MAYFIELD, TN20 6RH

PLEASE NOTE THAT MOST SATNAVS TAKE YOU TO THE WRONG ADDRESS FURTHER ALONG OUR LANE SO ONCE YOU GET CLOSE TO MAYFIELD WE STRONGLY RECOMMEND FOLLOWING OUR DETAILED DIRECTIONS RATHER THAN THE SAT NAV!!

- Leave the M25 at junction 5 and follow signs for the A21 to Hastings. Please note that junction 5 is perhaps the most confusing of all exits – from either direction the M25 takes the leftmost branch, i.e. it slips off towards the left and you must continue straight on. From the east, you will then be on the A21, and from the west you will be on the M26 towards Maidstone and you must immediately take the next sliproad left which is the A21.
- Stay on the A21 for approx 9 miles and take the exit signposted to Tunbridge Wells (A26)
- Stay on the A26 and follow it through Southbridge and into Tunbridge Wells keeping straight on at all traffic lights. In Tunbridge Wells you will find 2 mini roundabouts. At the first one you bear right, going past the old hospital on your right (please note this hospital has now closed). Bear left down the hill to the second mini roundabout where you turn left towards Frant (A267)
- Stay on the A267 through Frant, Mark Cross and Argos Hill and you will arrive at the next roundabout (ignore any previous signs to Mayfield) which is a large one.
- Turn left at this roundabout, follow the road round the bend for one hundred yards and turn right just before the road straightens again - into Newick Lane
- Continue for approx 1 ½ miles until you pass an organic farm “Hen on the Gate” on your right
- Piccadilly Lane is the next turning on the left (about 100 yards after the organic farm)
- Go down the hill to the bottom and the entrance to our farm (Cranesden Farm) is on the left just after the entrance to a field (chalk entrance with chestnut fencing) and just before the road bends to the left and goes up hill. It is opposite “Jollies Cottage”. If you pass any houses on the left hand side you have gone too far!
- When entering the farm, you will find a wooden gate with a padlock on it. We will open this gate before your arrival but if you are early and it is locked, please ring us up and we will come and open it.
- The Games Barn is the last building along on the right hand side; our house is at the top of the garden behind the Games Barn so if we don't appear to greet you, just walk up the garden and knock on our door.
